

Title:

Mental Health Therapist

Company intro:

Direct Therapy Collab offers one-on-one virtual mental health therapy with personalized health plans, monthly or weekly virtual visits, and a collaborative approach with our client's care teams. We understand that a person's family, culture, physical health, medical conditions, occupation, preferences, and hobbies all impact mental health and wellness. Our Mental Health Therapists understand the need for evolving and personalized plans to help our clients. We uniquely collaborate with our primary care doctors to assure the best possible outcomes. We aim to provide high-quality, consistent, and tailored mental health recommendations and value sustainability, frequent communication, along with an extremely personalized approach.

Job description:

- Meet with your clients virtually for 30 minutes every week, one hour every other week, or monthly to best tailor mental health therapy and recommendations. Visit frequency can be increased or decreased at the discretion of the Therapist and Client to every week or every month. We understand each week can bring unique challenges and our program makes us tackle each week separately when needed.
- Employees will be required to provide tailored mental health therapy and recommendations taking the client's unique lifestyle in mind (family, culture, mental health, medical conditions, occupation, preferences, hobbies).
- Our leadership team is able to help therapists when needed

Schedule / Hours:

Extremely flexible - may range from 30 minutes to 40 hours per week

Benefits:

Pay starting at approximately \$60 per hour
